

4/21/2026

To whom it may concern.

Dear Sirs/Madams:

**Re: RoHS, RoHS 2, RoHS 3, REACH Compliance, California Proposition 6, PFAS Chemicals, EPA TSCA (Section 6h), POP (EU) 2019/1021 and 2024/1624, US PBTs - Toxic Substances Control Act (TSCA), Per- and polyfluoroalkyl substances (PFAS), Green House Gases, F-gases, Asbestos and Conflict Minerals, including 3TGs**

Based on compliance certificates and Material Safety Data Sheets (MSDS) received from our suppliers, Dura-Belt, Inc. certifies that all our polyurethane, polyester, PVC and Poly-V belting materials, as well as our belting tools, conveyor parts and pulleys, are compliant without exception with Restriction of Hazardous Substances EU Directives 2015/863, 2002/95, 2011/65 and 2025/660, plus Regulation (EC) No 1907/2006, EPA TSCA (12/2024), POP (EU) 2019/1021 and 2024/1624, as well as all REACH SVHCs in all its Annexes as of the date above.

Moreover, none of the chemicals listed in California Proposition 65, including PFAS chemicals, are in any of our products. They also do not contain any Asbestos. Further, none of our products contain Greenhouse Gases so they do not fall within the scope of Regulation (EU) 2024/573, and they do not contain any F-gases. Nor do we ever use or sell any products that contain Conflict Minerals, including 3GTs.

Sincerely,

James G. Hammond  
President
